

The mighty 3rds came away with a nail biting 14-13 win on home turf in a hard fought battle against Drayton 1's. The sum of the parts were clearly greater than its mass, as experience, tenacity and the overwhelming desire to win overcame the oppositions mobile, well drilled and youthful outfit. Of particular recognition was the half back combination of Phil McCrackin and Mike Hunt, and near septuagenarian Pete Hardy, proving that there's still many a good tune played on an old fiddle.
